

**PARENT PERMISSION FORM
FOR THE
INDIVIDUAL MUSIC INSTRUCTION PROGRAM**

I give permission for _____
to participate in the private music instruction program understanding that a
fee of \$15.00 for individual lessons of thirty minutes will be charged by the
instructor delivering the lessons.

I also understand that while private music instructors may not be employees
of the Fort Bend Independent School District, a district employee will be
supervising the area in which the individualized instruction is taking place.

I understand that I must contact the private lesson instructor at least 24 hours
in advance if my child will not be present for a scheduled lesson. If I do not
contact the instructor at least 24 hours in advance, I understand that the
lesson will be considered unexcused, and the normal \$15.00 per 30 minute
charge will still be due for the missed lesson. The instructor and the director
will consider emergencies on an individual basis.
