Re: Request for your support

Looking for a great way to support excellence and hard work in a nationally recognized high school program? We invite you to become a financial supporter of the outstanding Austin High School Band.

Looking back on 2010/2011 school year, it was indeed, another outstanding year for this group of motivated students. The Austin High School Marching Band reigned as champions in the Bands of America (BOA) Houston Regional Competition. The Bulldog Band was well represented in District, Regional, and All State Bands, and a majority of band students achieved a Superior rating in Solo & Ensemble competition.

In addition, we returned to Indianapolis for the Bands of America Grand Nationals and were very proud of our students as they competed with nearly 100 top notch bands across America. Austin High School Band once again made it to the finals winning 9<sup>th</sup> place.

These accomplishments would not be possible without the generous financial support of local businesses and sponsors like you. The enclosed sponsorship information and application will explain the benefits of becoming a sponsor. Your support is a great opportunity to help an award-winning organization continue their quest for excellence, while bringing increased visibility to your organization.

Please visit our website at <http://www.austinbulldogband.org> for more information, or feel free to contact either of the Booster Club members listed below. Your support will be greatly appreciated.

Sincerely,
