

Angels BOA Super Regional 2011

ANGELS AMONG US

Dear Angels,

You have done an amazing job all season long learning a show that is truly amazing and challenging. Each day you give your heart and soul in every rehearsal and performance and we both appreciate your dedication to this very special program. This weekend never forget who you are and why you are there! Make every single moment one that will be etched in your memory for a lifetime. Thank you for sharing your talent and "Passion" with the SFA Band & Angels program. Always remember without you the program and show would not be what it is and has been throughout the season.

This past weekend at the "Tracie Walk" each of you shared your personal journeys with Tracie's family, friends and numerous others in attendance. It touched each of their hearts in a very special way! To say that we are proud is an understatement because each of you has a place in our hearts. Don't forget to love each other but most of all "Love yourselves".

Love,

Mrs. Heathcock & Mrs. Tarman
Lilian & Emily
